Family Service Week!

Talk About It

Get out your nativity set—or make a simple one with craft items or dolls and stuffed animals. Take turns retelling the story of Jesus’ birth using the nativity characters.

Live It

Donate a birthday package to your local food shelf — a gift bag with a cake mix, candles, and some decorations can bring joy to lots of people!

Devotion time

Read the Christmas story one more time this year! Luke 2:1-20. Use a Bible that the whole family can understand.
