Talk About It

What do you think angels look like?

Live It

Mary traveled a long way with a baby in her belly! Make your own belly by placing 2 sacks of flour in a plastic grocery bag. Take turns putting your arms through the holes to wear the bag in front. Sit on the arm of a chair like you're riding a donkey to Bethlehem.

Pray About It

Thank you, God, for Jesus! Help us to celebrate his birth a little every day! AMEN.
