### Talk About It

Take turns rolling a die and listing that number of people you know (or know of) who have been called by God to do something in our world. Think of Bible heroes, people in your community, family members, friends, and characters from history.

### Live It

God used an amazing burning bush to get Moses' attention. With adult supervision, light your own burning bush — a candle — at dinner. Gather around the glowing light and talk about how God gets your attention. Does God use nature, the Bible, loved ones, or strangers?

### Pray About It

God of love, we thank you for your light in our lives. Be with us each day as we try to do your work in the world.  
AMEN
