Games

### Talk About It

The angels told the shepherds of Jesus' birth. Who can you tell about Jesus?

### Live It

Play hide and seek with the baby Jesus from your family's nativity set. Take turns hiding the holy baby in unexpected places around your home for your family members to stumble upon, like in the fridge, a box of tissues, or a shoe.

### Pray About It

God of all, help us to find Jesus in unexpected places throughout the year. Amen.
