Family Service Week!

Talk About It

How does your family help God to take care of creation?

Live It

Draw pictures or take photos of beautiful things in God's creation. Make a poster, bulletin board, or notebook of the images. Then have fun pretending that you are Adam/Eve and give creative "new names" to the beautiful creations!

Go for a walk around your neighborhood and pick up trash to help care for God's creation.

Devotion time

Read the creation story together! Genesis 1:1-31, 2:4-25 in the Bible, or grab your favorite picture Bible for families with younger children
