

## At Home

October 4, 2009

Family Service Week!

### Talk About It

What special abilities has God given you to help others?

### Live It

Feed people like Joseph did. Contact your local food shelf or soup kitchen and see how they might be able to use your family in a volunteer capacity. Can you shop, stock shelves, serve food, or address envelopes?

For younger children, help to make and serve a special meal at home this week

### Devotion time

Read the creation story together! Genesis 39:20—41:57; 45:1-15; 50:15-21 in the Bible, or grab your favorite picture Bible for families with younger children
