Family Service Week!

Talk About It

What would it be like to have someone rub hair on your feet?

Live It

Host your own banquet! Invite another church member to your house for dinner. Plan a menu as a family, including dessert! Make a list of great host qualities. When your guests arrive, have everyone there to welcome them and take their coats. Remember everyone can be a great host.

Devotion time

Read the story about Simon as a family! Luke 7:36-50. Use a Bible that the whole family can understand.
