Talk About It

Who do you feel bad for—the woman or Jesus? Why?

Live It

Be humble to each other. Grab some washable markers and draw on each other's feet. Fill your tub or a small wading pool outside with water, and wash each other's feet clean. Whoever washes the fastest wins!

Pray About It

Awesome God, we are so grateful for your forgiveness! Thank you for sending Jesus Christ to heal us, renew us, and forgive us. AMEN.
